

2011 SRV Thunderbirds Sponsorship Opportunities

Multiple options exist for sponsorship of Thunderbirds Football & Cheer. All donations support the operations of our program, which aim to help our participants maximize their experience! Our program is designed to teach the sports of football and cheer; however, we aim higher and hope to instill a sense of teamwork, increased self-esteem, personal growth and development, responsibility and support for the community. Portions of your donation will be used to improve our practice and game-day experience. Additionally, we make substantial contributions annually to our host schools, Monte Vista and San Ramon High Schools. Further details are available upon request.
